About AJK

About AJK Established in 2007, in the rural area of Coimbatore, Tamil Nadu. AJK College of Arts and Science (AJKCAS) is accredited with A+ Grade by NAAC and ISO 21001:2018 certified new-age Co-educational Institution. It is recognized by UGC with 2(f) and 12(B) status and is affiliated to Bharathiar University, Coimbatore. It is built on core fundamentals to create and nurture a talent pool of youth focused on curiosity, creativity, critique, and character. The college follows a comprehensive curriculum and a learner-centric approach to teaching with emphasis on holistic development of its students.

What is Commerce with Computer Application + Forensic Accounting

B.Com Computer Application focuses on the computers in business.

Students learn the subjects of Commerce and are taught to use the software technology for their professional requirements. Computers play a vital role in managing various accounts related to the business. This course has got a great scope in the “field of both commerce and software.

Training in Computer Applications in the field of commerce is an extra mileage in placements; it has an innovative modern curriculum. B.Com Computer Application graduates can find a lot of career opportunities in the field of accounting, banking, marketing, e-commerce, teaching, insurance and stock market

FORENSIC ACCOUNTING

An approach to accounting which utilizes accounting, auditing and investigative skills to conduct an examination into the finances of an individual or business.

Professional Mentoring

As a part of the curriculum, students are monitored and mentored continuously. Inculcation of good practices, ethics, values, moral, motivation and personal grooming are the key objectives of a mentor. With these initiatives, coupled with the deliverable as mentioned in the previous sections, we believe that global leaders could be created here.

Why B.Com CA in AJK?

- We promote job creation and economic growth by ensuring fair trade, providing the data necessary to support commerce and constitutional democracy.
- We foster innovation by setting standards and conducting foundational research and development
- We equip the students with Entrepreneurship development cell, Intellectual property rights and Research & Development.
- We develop students for professional career in accounting, finance research and higher education.
- We build the technical skill through digital teaching learning methods.

Career counselling & Placement Services

The career counselling service provides unbiased information, advice and guidance to help students understand themselves and the employment market. Later they are supported to plan and prepare for their future by developing suitable career related skills & knowledge. It aims to help students find the career that uses their unique skills & individual experience to the fullest.
