About AJK

Established in 2007, in the rural area of Coimbatore, Tamil Nadu. AJK College of Arts and Science (AJKCAS) is accredited with A+ Grade by NAAC and ISO 21001:2018 certified new-age Co-educational Institution. It is recognized by UGC with 2(f) and 12(B) status and is affiliated to Bharathiar University, Coimbatore. It is built on core fundamentals to create and nurture a talent pool of youth focused on curiosity, creativity, critique, and character. The college follows a comprehensive curriculum and a learner-centric approach to teaching with emphasis on holistic development of its students.

What is Digital and Cyber Forensic Science?

It is a branch of computer science which deals with the practice of collecting, examining, and analysis of digital devices in a criminal or civil investigation and reporting on digital data in a way that is legally admissible in the court of law. Computer forensics is not only capable of uncovering deliberate criminal intent but can also prevent future cybercrimes.

Why Digital and Cyber Forensic Science in AJK?

One who join in AJKCAS they become acquainted with tools and techniques which are needed to secure data. At the end of the programme, learners achieve mastery in skills necessary to move into leadership roles in companies, agencies and departments. Students with this degree gets job in foreign countries where the requirements of such professionals is much needed. Also, we build insights to identify cyber intruders, advocate security checks to stop the hackers.

The programme comprehend to find the gaps when it exists in security, with innovative techniques and investigative knowledge able to break down the security system. Also provide opportunities to cultivate skills for working and building relationship with police crime teams.

Finally guide to design and develop hardware and software tools in fields such as digital forensics, artificial intelligence etc.
