About AJK

About AJK Established in 2007, in the rural area of Coimbatore, Tamil Nadu. AJK College of Arts and Science (AJKCAS) is accredited with A+ Grade by NAAC and ISO 21001:2018 certified new-age Co-educational Institution. It is recognized by UGC with 2(f) and 12(B) status and is affiliated to Bharathiar University, Coimbatore. It is built on core fundamentals to create and nurture a talent pool of youth focused on curiosity, creativity, critique, and character. The college follows a comprehensive curriculum and a learner-centric approach to teaching with emphasis on holistic development of its students.

Professional Mentoring

As a part of the curriculum, students are monitored and mentored continuously. Inculcation of good practices, ethics, values, moral, motivation and personal grooming are the key objectives of a mentor. With these initiatives, coupled with the deliverable as mentioned in the previous sections, we believe that global leaders could be created here.

Career counselling & Placement Services

The career counselling service provides unbiased information, advice and guidance to help students understand themselves and the employment market. Later they are supported to plan and prepare for their future by developing suitable career related skills & knowledge. It aims to help students find the career that uses their unique skills & individual experience to the fullest.

What is B.Com Professional Accounting + Anti-money laundering or AML

The Bachelor of Commerce Professional Accounting (BCom PA) is a three-year undergraduate course that aims to impart thorough subject knowledge spanning theory, principles, methods and procedures in the field of Commerce and Accounting. The main objective of this track is to prepare students to take up challenging and rewarding professional career options in Commerce and its allied fields such as Accountancy, Taxation, Finance and related disciplines of Management studies.

The types of professional accreditation open to B.Com. PA students include Chartered Accountancy (CA), Cost Accountancy (ICWA), Company Secretaryship (CS), Chartered Financial Analyst (CFA), Chartered Management Analyst (CMA) and other types of professional career streams both nationally and internationally. More recently, emerging fields of application such as data science have also been incorporated into the course work.

Anti-money laundering or AML

means the legislative, regulatory and enforcement framework put in place to prevent criminals - money launderers from disguising illegal funds and concealing them within the legitimate economy. From Anti Money Laundering (AML) Analyst to Chief Compliance officer the journey of AML experts is very promising.

Certified AML Experts are often thought of as more high-profile and meaningful because of the corresponding exposure they get. Even though the job is demanding, it's valuable. Demand for anti-money laundering (AML) is anticipated to rise at a phenomenal CAGR of 17.8% from 2023 to 2033.
